AGREEMENT

Acceptance: A deposit for a booking constitutes Customer's acceptance of these Terms & Conditions.

Deposit: Bookings require a minimum \$500.00 per-person deposit to hold reservations for land services. Some tours will require a larger deposit. Customer will be notified if a larger deposit is required. Deposits are NON-REFUNDABLE. In addition to the land services deposit, airline reservations (where requested) must be paid for in full and ticketed to confirm space and guarantee airfare rate. Airfare payment due dates and ticketing due dates are separate, and in addition to the initial deposit and final payment for land services.

Deposits Air: Airline Reservations, Airfares & Tickets: Airline regulations require that names on tickets match the passport, therefore, customer must provide a copy of each traveler's passport photo page. A US\$250 per ticket change fee will apply for incorrect information due to not having copies of the passport page. Airline reservations cannot be confirmed, nor airfares guaranteed, unless Africa Answers has received payment in full and by the due date. Each fare will have different terms and conditions, please contact us to obtain specific conditions for your fare. Some fares may permit changes upon payment of change fees, penalties and possible additional fare collection. In addition to these fees, Africa Answers reserves the right to assess a US\$50 ticket re-issue for changes such as, but not limited to, name change, date or flight change and cancellation.

Changes: Once a deposit has been received, a US\$50 per booking change fee will apply. This fee will be waived if the total value of the booking increases. Other fees are at the discretion of the hotels, tour operators, rental car agencies and other Service Providers.

Payment: Before final payment is made you will receive a final invoice that has been updated to reflect any currency fluctuations. Prices are not locked in until full payment has been made.

Cancellations: Cancellation penalties may vary depending on the products booked. Customer cancellation before the full payment due date will incur loss of the non-refundable deposit as specified above and any charges received from suppliers. Customer cancellation on or after the full payment due date, but more than 60 days prior to departure, will incur a penalty equal to 50% of the total booking cost. Africa Answers will make no refunds for Customer cancellations made less than 45 days before departure or subsequent to travel commencement. Other cancellation fees or refunds for Customer cancellation are at the discretion of the hotels, tour operators, rental car agencies and other Service Providers with which Customer has reserved Travel Related Services. Insurance purchases are NON-REFUNDABLE.

Air Cancellation/Change Penalties: In addition to the above mentioned Africa Answers cancellation penalties, Airline tickets, once issued are 100% non-refundable. Travel insurance is available through Africa Answers.

Documents will be sent via email or using ground or priority mail. A US\$50 rush fee will be charged to expedite documents that require delivery earlier than 2 weeks prior to departure. Any bookings made within 7 days of departure will only receive e-documents.

Prices: Africa Answers quotes prices in US currency based on the exchange rates for the respective foreign currency, as of the date of the quote. Exchange rates fluctuate. Customer's exchange rate is only fixed when full payment is made, unless otherwise noted on Customer's itinerary. Any price that Africa Answers quotes is subject to change without notice until full payment is made. All prices are 'from' and seasonal surcharges and currency fluctuations apply.

Children: Be aware that some travel products do not allow children below a certain age. If Customer plans to travel with children, Customer must notify Africa Answers when booking and provide a clear copy of the passport page for each traveling child so Africa Answers can verify ages.

IMPORTANT

South African law requires travelers to have one (1) blank (unstamped) visa page in their passport to enter the country. In practice, however, travelers may need more than one page as there have been instances in the past of South African immigration officers requiring travelers to have two (2) blank pages. Travelers are advised to have two blank pages; one for the South African temporary residence permit sticker that is issued upon entry to the country, and an additional page to allow for entry and exit stamps for South Africa and other countries to be visited en route to South Africa or elsewhere in the region. Travelers without the requisite blank visa pages in their passports may be refused entry into South Africa, fined and returned to their point of origin at their own expense. South African authorities have denied diplomatic missions access to assist in these cases.

Note: An airline ticket and itinerary does not guarantee you entry into a country. It is the travelers responsibility to divulge any information pertaining to, but not limited to, a criminal record, health records and all other reasons that may impede your entry into a destination. Africa Answers accepts no responsibility for inaccurate or false information.
